

PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s): Verness et al

Docket: P-4824.06

Serial No.: 09/616,592

Group Art: 3762

Filed: July 14, 2000

Examiner: W. Kamm

Title: MEDICAL ELECTRICAL LEAD

BOX NON-FEE AMENDMENT

Commissioner for Patents

Washington, D.C. 20231

ELECTION UNDER 35 USC § 121

Sir:

The Applicants elect with traverse the species of Figure 3 associated with Figure 7 and generally defined by claims 1-3 and 5-23. The traversal is based on Applicants' understanding that there is no undue burden of examination imposed on the Examiner if the application is examined as originally filed.

Respectfully submitted,

Verness et al,
By their attorneys,
